ABOUT ME

I AM AUTODIDACT

I'm passionate about learning new things in the technology field, and due to the fact that this is a neverending task, I've develop substantially my self-taught side, and this, coupled with solid bases enhance my confident to assume incoming challenges.

I AM CREATIVE

I'm always searching for better alternatives to solve or optimize situations and/or processes regardless of the discipline, pursuing the integrality.

I LOVE ART

In my free time I enjoy learning about:

Science

Technology

Dance

Music

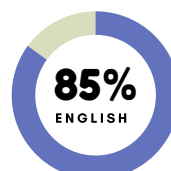

Reading

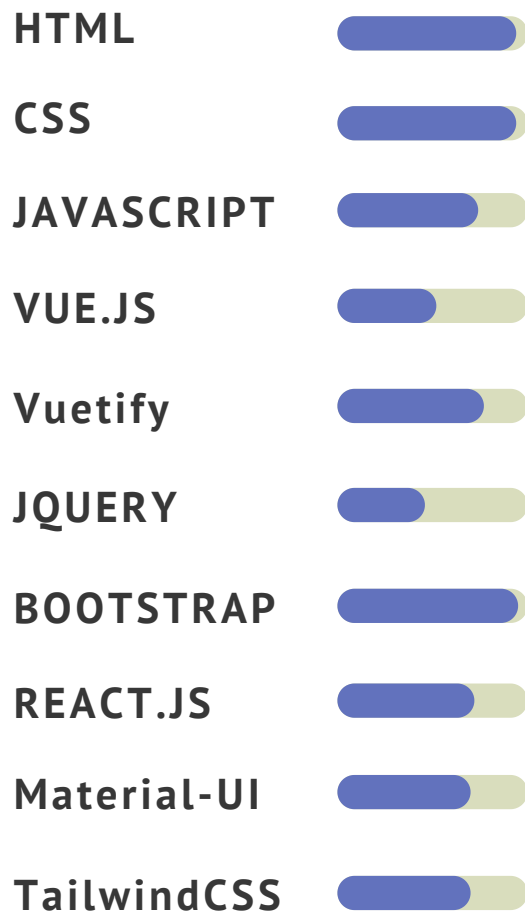

Philosophy
